

PRINCIPAL'S WELCOME

July 12, 2010

Dear Parents,

Welcome to the 2010-2011 school year! I would like to extend a warm welcome to all returning, and new students, and their families to Toronto Prep School.

Please allow me to thank each of our inaugural year's students and their families for such an incredible year. We completed a highly successful first year mainly due to the collaborative partnership between the school and the home environment. We look forward to experiencing continued success together.

To our new students and their families, the staff and I are delighted that you have chosen Toronto Prep School and have entrusted your child's education to us. We will make every effort to help your child achieve academically and socially this year. It is our goal to create an enriching learning environment that engages the student.

A strong partnership between home and school, with an open and honest line of communication, will help facilitate meeting the needs of each student as well as promoting the positive development of the individual learner. To that end, you will find a number of documents enclosed in this e-mail, some are intended to inform you of the upcoming year while others are important to the organization, operation and tone of the school and require your response. We have a number of new programs and some new procedures starting this year and I would like to take this opportunity to share them with you prior to the beginning of school. I would ask that you download these documents, review them and return the appropriately designated forms to the Main Office as soon as possible.

Your assistance with these items is greatly appreciated. If you have any problems with the download of forms or other questions, please contact Ms. Lori Boudreau at 416-545-1020 or email her at lboudreau@torontoprepschool.com.

I hope everyone is having a safe, relaxing and enjoyable summer and I look forward to seeing you as school begins and together, we can make 2010-2011 a special year.

With warm regards,
